
Ty Davis

Minneapolis, Minnesota 55448 | (218)838-8223 | Ty-B-Davis@outlook.com

Summary

Cybersecurity student with hands-on experience in defensive security, system administration, and incident response fundamentals. Active member of the **Collegiate Cyber Defense Competition (CCDC)**, collaborating in team-based, high-pressure attack-and-defend environments with a primary role in **web server defense**, securing IIS services and responding to live threats. Proven ability to work effectively in teams, including serving as a **project captain**, while documenting actions and communicating technical findings clearly. Seeking an entry-level cybersecurity or IT security role focused on blue team operations, monitoring, and infrastructure protection.

Skills

- CJIS Security Awareness
- Network troubleshooting
- Cybersecurity protocols
- Technical support
- System maintenance
- Incident documentation
- User training
- Endpoint Protection & Antivirus
- Windows 10 / 11
- Windows Server 2019
- Linux (Ubuntu, Kali)
- Nmap
- Burp Suite
- Wireshark
- IIS
- Active Directory

Experience

IT TECHNICAL SUPPORT INTERN | 05/2023 - 09/2024

Crow Wing County - Brainerd, Minnesota

- Supported CJIS-compliant systems accessing Minnesota government networks including Court Integration Services, eCharging, and the Statewide Supervision System
- Deployed, configured, and monitored computer systems, peripherals, and networks.
- Supported users with software installations, updates, patches, and bug fixes
- Performed routine system maintenance including antivirus updates and patch management
- Identified connectivity and performance issues utilizing standard troubleshooting tools.
- Documented incidents and resolutions using a ticketing system
- Collaborated with IT staff to resolve complex technical issues efficiently

DINNING HOST | 05/2022 - 09/2022

Dunmire's on the Lake - Brainerd, Minnesota

- Greeted incoming guests to create welcoming atmosphere.
- Answered phone calls, handled inquiries, and managed reservations and cancellations.
- Processed payments as guests exited to ensure efficient transactions.
- Coordinated with staff and servers to guarantee prompt customer service.

DINING HOST | 06/2021 - 09/2021

Northern Cowboy Restaurant - Brainerd, Minnesota

- Greeted incoming guests to create welcoming atmosphere.
